

## Voices of the Future Songwriting Competition

---

Dear Songwriters,

We would like to extend to you a warm invitation to participate in our songwriting competition. The "Voices of the Future Songwriting Competition" was created to encourage and facilitate growth for young aspiring songwriters. Evaluation of art is, by nature, subjective; therefore, please consider this recognition of talent rather than merely a competition. Entrants will be evaluated and rewarded for creativity, originality and artistry rather than novelty or commercial viability.

To enter this year's competition, please submit one CD or rework cassette recording of one original song, one legible lyric sheet and a completed application form signed by the songwriter or authorized representative. The CD or cassette must be labeled with your name, the song title, and email or snail mail address and phone number. Entries will not be returned. Please do not send your ONLY copy.

Additional entry forms may be photocopied or downloaded from the NorEast'r website at [www.noreastr.net](http://www.noreastr.net).
